

Caterpillar, Cocoon and Butterfly

**Developed from egg, caterpillar, chrysalis (cocoon stage), to butterfly
[from fleshly conception to fleshly body, spiritual birth conception from repentance,
to fleshly death (grave), to the spiritual resurrected body]**

1 Corinthians 15:40 There are bodies which are in the heavens and bodies which are in the earth, but there is one for the glory of the bodies which are in the heavens, and there is another for the glory of the bodies which are in the earth. **Ecclesiastes 3:11** He has made everything appropriate in its time. He has also set eternity in their heart, without which man shall not find out the work which the Elohim has done from the beginning even to the end.

Yahushua was wrapped in His linen (cocoon) and was raised out of His linen on the third day and He, being the butterfly at His resurrection day, went back to His Father. Acts 26:16-18 "...by delivering you from the people and from the gentiles that I shall send unto you now, to open their eyes so that they may turn from darkness to Light and from the dominion of hasatan to Elohim".

25 Yahushua said to her, "I am the resurrection and the life. The one who believes in Me shall live even if he dies."

26 "Anyone who lives and believes in Me shall never die at all. Do you believe this Word?" **His resurrection is like a butterfly coming out of cocoon so like all men are cocoons and butterflies at their resurrection day.**

John 12:32 "And I, if I be lifted up from the earth, will draw all men unto Me". **Yahushua speaks this to signify that by His death and resurrection (being lifted up), He will draw people to Himself.**

Upon our repentance from the kingdom of darkness, we come into our cocoons (transformations from the old life dominated by hasatan to the new life dominated by Yahushua our Mashiyach) at His Aleph coming. The Law of Life is written on our sanctified hearts, while we stay on the earth for the shortened days. His seed of faith is sowed in our sanctified hearts as His Spirit of perfection has worked from the beginning to the end (completion) of our spiritual life where His harvest of our spiritual production out of His seed of faith come at the ends of our fleshly bodies at His Tau coming then we become like the butterflies going to the heavens and leaving the cocoons (fleshly bodies) to the ground. The cocoons are the separation of His people being called out of the world of wickedness from those (worms) who are in the kingdom of darkness during the time of our transformations. It is like the ark carrying Noach and his family that were separated and protected from the wicked people being drowned in the Flood.

Beware of the false believers of the traditions on the rapture thinking they have both of fleshly bodies (cocoons) and of spiritual bodies inside that can be caught in the air. It is like the fleshly bodies that were trying to build the tower of Babel with its top in the heavens (Genesis 11:4-9), but they were scattered on the earth with their language confusion.
